To All Winter Storage Tenants and/or Slip Tenants:

Spring is fast approaching and we are looking forward to a promising boating season. The group launch dates are as follows:

<u>Date</u>		<u>High Tide</u>
Friday	April 27, 2018	09:57 AM
Monday	April 30, 2018	12:26 PM
Tuesday	May 01, 2018	13:09 PM
Friday	May 11, 2018	08:38 AM

**These dates are offered solely as a convenience to our customers; you are welcome to contact any company and make arrangements independent of the dates posted. Enclosed is a list of haulers. It is your responsibility to schedule your launch date with the hauler and to notify the marina office of your date prior to launching.**

I would like to remind everyone that they must be out of the parking lot by midnight of **May 15<sup>th</sup>, 2018**. Anyone remaining in the lot after that date will be responsible for payment at the following rate schedule:

**\$2.25 per ft/ per day until May 31st, 2018**  
**\$5.00 per ft/ per day from June 1st until June 30th, 2018**  
**\$10.00 per ft/ per day thereafter**

**There will be NO EXCEPTIONS to this late storage fee.** All late fees must be paid in full before launching your boat.

Please be courteous and clean up the area that your boat was stored in. All shrink-wrap is to be removed from the property by the boat owner; **absolutely no shrink-wrap is to be disposed of in marina dumpsters**. You may not spray paint the bottom of your boat, and you must always use a drop cloth when sanding.

We would like to remind you that there is to be absolutely no pressure washing of any kind on Sandwich Marina property. The Environmental Protection Agency has determined that no water from washing or rinsing your boat may be released back into the basin through the storm water drains or by natural flow.

One night of free dockage is available on the day of your launch based on slip availability. These slips are granted on a first-come, first served basis and are not guaranteed. Electricity is an additional charge. You must call the office to reserve your dockage.

**PLEASE NOTE THE FOLLOWING: Any boat that launches on or after May 16, 2018 will be charged dockage at our summer seasonal rate of \$2.75/ft. per night.**

We look forward to seeing you again and thank you for your ongoing support. Have a happy and safe boating season.
